higijenadpm@izjz-nis.org.rs

-Theoretical and practical problems of communicable and non-communicable disease epidemiology
epidemiologijadpm@izjz-nis.org.rs

The deadline for abstract submission is **15th August 2019**.

Abstract formatting information

All papers should be submitted only in English language, and oral presentations can be presented in Serbian or English. All accepted abstracts will be published in the Book of abstracts.

The sample abstract form can be downloaded from the Days of Preventive Medicine website, **dpm.izjz-nis.org.rs**

Please structure your abstract using the following headings: **objectives, methods, results and conclusion**. Enter **3-5** keywords. The abstract may not be longer than **200 words**. Page margins should be set at **2.5cm** and line spacing should be set at **1.5**. Please use the **Times New Roman font** with a font size of **12**.

Poster presentation formatting information

Poster presentations will be exhibited in **e-poster** format. Please format your poster presentation in **horizontal (landscape) orientation** suitable for display on a **16:9 widescreen display ratio** screen. Your poster presentation should be saved in **pdf, png** or **jpg** format. The minimum recommended size of the presentation in **png** and **jpg** formats is **1920x1080 pixels**. The maximum file size of the poster presentation is **10 megabytes**.
